

Risk disclosure

Trading off-exchange foreign currencies on margin carries a high level of risk, and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before deciding to trade foreign exchange you should carefully consider your investment objectives, level of experience and risk appetite. The possibility exists that you could sustain a loss of some, or more than you initial investment and therefore you should not invest money that you can not afford to lose. You should be aware of all the risks associated with foreign exchange trading, and seek advisor from an independent financial advisor if you have any doubts.
